2013–2014 FRESHMEN MERIT SCHOLARSHIPS

HOW TO USE THIS GRID – STEP 1: Locate your ACT or SAT* score range on the left-handed side of the grid (*note:* the SAT score is the composite of the math and critical reading scores only). STEP 2: Locate your cumulative weighted grade point average (GPA) range on the top of the grid. STEP 3: Locate the square where your test score range meets your GPA range. This indicates the Merit Scholarship award you can expect to receive.
