## MAT Testing Requirements Form

I have been informed of the requirements for admission to the Master of Arts in Teaching program (full and part time) and am aware that I have not presented satisfactory scores on either the ORELA and/or the PRAXIS II Subject Assessment/Specialty Area tests prior to the deadline for application.

I also know that without passing scores on these exams I can be conditionally accepted into the MAT program. If I am conditionally accepted and decide to begin my coursework, **I understand I will not be placed in clinical experiences (student teaching) until all passing scores have been presented to the College of Education.**

**I acknowledge I need to present passing scores on the following tests:**
