

Turnitin Assignments

Now that the Turnitin PowerLink has been added and configured, Section Designers can add Turnitin assignments to their courses.

Adding Turnitin Assignments

To add a Turnitin assignment to a course:

1. Login as a Course Builder.
2. Click on the course you want to add a Turnitin assignment to **1**.
3. Click the *Add Content Link* button **2**. In the menu that opens, click *Turnitin Assignment* **3**.
4. Click the *Create Turnitin Assignment* button to create a new assignment **4**.
5. Enter a title and click the *Create Turnitin Assignment* button **5**.
6. Complete the assignment creation form and click the *submit* button to finalize the assignment **6**.

! For full documentation on creating a Turnitin assignment, please refer to the Turnitin instructor user manual available at http://www.turnitin.com/static/training_support/manuals.html.

The Turnitin assignment will show up on your class' homepage. The assignment will also show up for Section Instructors, TAs, and enrolled students.

- 1** Select a course by clicking its title

- 2** Click the "Add Content Link".

- 3** Click "Turnitin Assignment".

- 4** Click "Create Turnitin Assignment".

- 5** Enter a title for your assignment.

- 6** Click "submit" to finalize your assignment.

Submitting to Turnitin Assignments

You can submit a paper to a Turnitin assignment as an instructor or as a student.

To submit a paper to a Turnitin assignment as an instructor:

1. Log in as a Section Instructor or TA.
2. Click on the course containing the Turnitin assignment you want to submit a paper to **1**.
3. Click on the Turnitin assignment you want to submit a paper to **2**.
4. From the Turnitin assignment inbox, click the *submit* button **3**.
5. Fill out the Turnitin submission form and click *submit* **4**.

! For full documentation on submitting a paper to a Turnitin assignment, please refer to the Turnitin instructor user manual available at http://www.turnitin.com/static/training_support/manuals.html.

You can view papers that have been submitted to a Turnitin assignment by clicking the Turnitin assignment from the teach view.

Your students can submit papers to your Turnitin assignment by logging in to their WebCT accounts and clicking on a Turnitin assignment.

- 1** Select a course by clicking its title

- 2** Select an assignment by clicking its title.

- 3** Click the "submit" button to submit a paper.

- 4** Click the "submit" button to finalize your submission.

The Turnitin Assignment Inbox

WebCT instructors and section TAs can view the inbox for a Turnitin assignment by clicking on a Turnitin assignment from the teach view **1**.

To ensure that all students enrolled in your Turnitin class show up in your inbox, click on the *roster sync* link in the Turnitin inbox **2**. Once your student roster has been synced, all students enrolled in your class will show up in your inbox.

The Turnitin inbox within WebCT closely resembles the inbox you are used to when you use Turnitin. From the inbox you can perform several actions:

- edit an assignment's information **3**
- view an Originality Report **4**
- grade a paper using GradeMark **5**
- view and edit rubric sets for GradeMark **6**
- view class statistics **7**
- delete, download, and move selected papers **8**

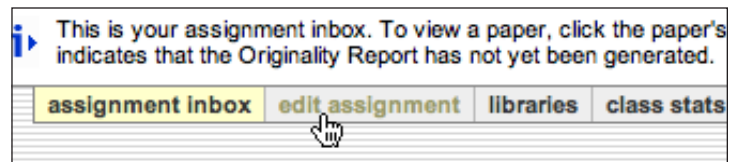

! For full documentation on the Turnitin inbox, our plagiarism prevention system, and GradeMark, please refer to the Turnitin instructor user manual available at http://www.turnitin.com/static/training_support/manuals.html.

1 View an assignment's inbox by clicking its title.

2 Click "roster sync" to add enrolled students to your inbox.

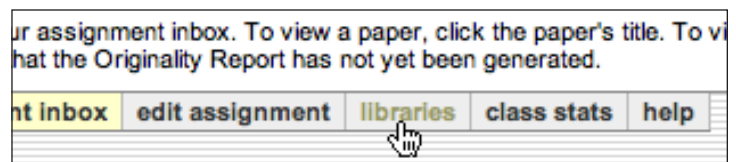

3 Click to edit an assignment's information.

title	report	grade	g
	100%	19/20	
	100%	--	

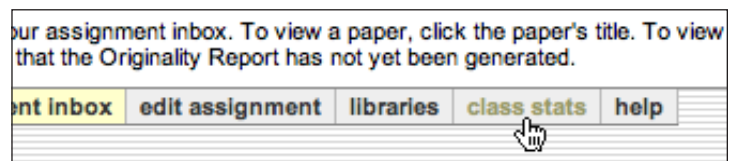

4 Click to open an Originality Report.

report	grade	gm	file	paper id
100%	19/20		.rtf	15589763 0
100%	--		.doc	15589762 0

5 Click to grade a paper using GradeMark.

6 Click to view and edit rubrics.

7 Click to view class statistics.

8 Click to delete, download, or move selected papers.
