

LIFE JOURNEY

Being Sunday People
in a Monday World!

Know What God Wants You To Be When You Grow Up?

Do you have a sense
that God has created
you for something far
greater than yourself
– something with
eternal
consequences?

LIFE Journey

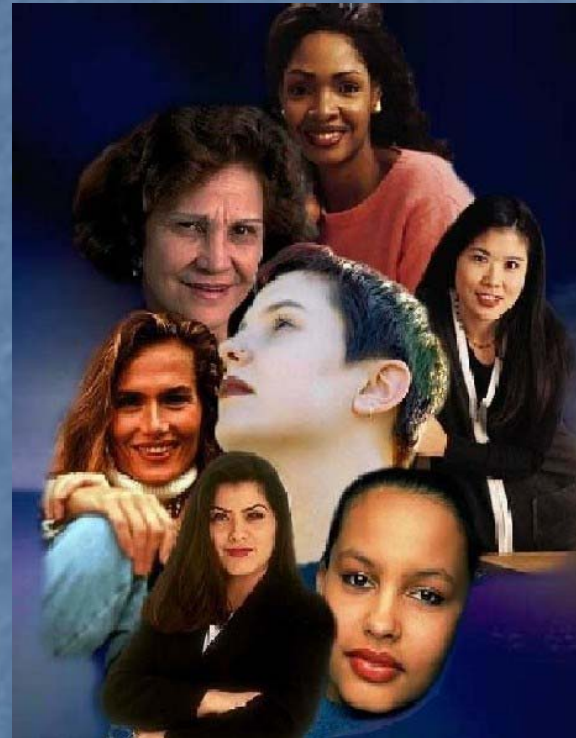

A unique ministry discovery program partnering with:

- Tracking The Spirit
- Leadership Advancement Process (LAP)
 - One Mission Ablaze

Today's technology, a unique coaching methodology, and Luther's theology of vocation come together as a powerful means for equipping and empowering all laity – especially women – in the call to be in meaningful ministry in every segment of their lives.

LIFE JOURNEY...

- This is not career counseling!
- This is career dedication!
- This is not a program for Christians to strengthen the church!
- This is a challenge to love humanity and be God's presence in the world!

Life Journey is an on-the-job style of discovery and coaching unique from traditional classroom education.

DIVERSE DELIVERY SYSTEM!

- On-Line
- Weekend Seminars
- Workshops and Retreats

A UNIQUE METHODOLOGY ...

- A self-discovery process through group and/or one-on-one coaching and collegial support groups for
- identifying, developing, and doing hands-on mission and ministries under the supervision and support of coaches and mentors.

Through LIFE Journey, laity will be better equipped and enabled to make God visible to others using their different capacities and talents in the arenas of home, neighborhood, church, and places of work – the prime mission fields in which God has placed us!

With the United States of America being one of the largest mission fields in the world, participating in LIFE Journey will provide laity and their families an opportunity to be intricately involved in reaching well over 80,000 people for Jesus over the next five years.

...by making God's
activity and reconciliation
naturally present and
involved through each
layperson in every
segment of the world!
