

Drama Registration Form – L.E.S.T.

Please submit this form with your school's other registration materials that are due December 1.

Ground Plan for Staging your Play

The stage space at Concordia University is diagrammed below. This minimizes unnecessary surprises and maximizes your efforts to utilize an exact duplicate of the space while you practice and block your play. Keep in mind that you will have only a brief time to set up for your performance. Keeping the various set pieces moveable and easily constructed is essential. As noted in previous materials **NO SPECIAL LIGHTING** is available. A standard stage “wash” will be used for all the plays.

School _____

City/State _____

Title of Play _____

Contact Person(s) _____

Phone _____

FAX _____

E-Mail _____

Please provide a diagram of your particular play, using this sheet.

Each group should also bring a poster that can be prominently placed on an easel while the group is performing so that the audience is clear which school is on stage. The poster can simply be an enlarged version of the one that is in the program.
