

As Director of Student Health Services and as Campus Nurse I welcome you to Concordia University.

Concordia requires you to submit two very important forms to Student Health Services. The two forms only take a few minutes to complete and do not require a visit to a health care provider. Forms go directly to Director of SHS and are placed in a confidential file in SHS office.

Do not submit the forms if you attend all classes at a satellite campus, or obtain your degree or certificate entirely online.

Students not submitting the following 2 forms by their first semester have a hold placed on records. Registration for future classes is not permitted until forms are completed.

1. **Certificate of Immunization** (aka measles documentation) is *required*. Oregon immunization law mandates full time university students, born on or after January 1, 1957 to provide the university with measles (**rubeola**) documentation. **International students with a non immigrant visa must have measles (rubeola) documentation prior to attending class.**
2. **Health History** is *required* for your safety.

Forms are online at: <http://www.cu-portland.edu/services/healthwellness/>

Print forms, complete and return by mail (no FAX) to:

Concordia University
Attention: Student Health Services
2811 NE Holman St.
Portland, OR 97211

Thank you for your prompt attention to this important part of your health care at CU.

Sincerely,

Barbara A. Russell RN, BA
Director of Student Health Services and Campus Nurse
