

Study Psychology in Cape Town, South Africa! June 9-30, 2018

Concordia Professors of Psychology, Drs. Erin & Reed Mueller, are returning to Cape Town in 2018 for another faculty-led program!

Earn 3 psychology credits in 3 weeks through international psychology service and a peace psychology seminar. Plus, enjoy a variety of cultural activities and natural sites as part of this program!

CONCORDIA PSYCHOLOGY STUDY ABROAD ALUMNI SAY...

*"The whole experience was **awesome!**"*

*"Words cannot really describe how study abroad can **change you**, push you, challenge you, or make you more aware of the world than you were before. There is **nothing like it** and I feel like sometimes there is only a brief window in a person's life where they can do a study abroad. **It's pretty magical!**"*
