

Bachelor of Science Early Childhood Education Background Disclaimer

I, _____, acknowledge that the Early Childhood Education program requires coursework that may include experiences in the field observing children and programs, working directly with teachers and students, and teaching children of various ages. State requirements for students, interns, volunteers, and/or paid employees require various types of clearance including but not limited to background checks, finger printing, and other documentation as required. By signing this document, I am verifying that I understand that it is my responsibility to fulfill the requirements for the state in which I will work with children prior to any exposure to children. Further, if I am unable to pass my state's specific background check requirements, my ability to complete and earn my degree in Early Childhood Education may be at risk. In addition, my ability to obtain or retain employment in an Early Childhood Education-related field or position may be affected, including the possibility that I may be unable to obtain or retain employment in any Early Childhood Education-related field or position by failing to pass a state background check.
