“Visiting Concordia was love at first sight. I have made friends and have met faculty and staff who have pushed me and cared for me and have made me a better person. To the people who donate, I say thank you. From a heart soaked in long nights studying, but long nights laughing as well, I give to you the most genuine thank you possible.”

– Kaiao Nahale-a, Junior, Business Administration Major
OUR MISSION: Concordia is a Christian University preparing leaders for the transformation of society.
“We believe in the education Concordia provides. We know that it helps kids and we believe in a faith-based school.”

– John and Ester Wolfe, Weber Circle Donors
Greetings and blessings to you from the Concordia University Portland community, which now spans the globe, while calling Portland, Boise and the Pacific Northwest “home.” An increasing number of students continue to seek out Concordia as we live out our mission of preparing leaders for the transformation of society.

God continued to bless us in Fiscal Year 2013 as we followed the clear direction outlined in our 2020 Vision. Here are some highlights:

- We continued to break enrollment records with 27% growth, making Concordia Portland the fastest growing university in Oregon and among our Concordia University System counterparts. This enrollment growth was led by online graduate degrees.

- Concordia Portland’s doctorate in education degree (Ed.D.) was launched – online and in Portland – following approval by the Northwest Commission on Colleges & Universities (NWCCU).

- We reinvented our MBA program fully online and in Portland to meet new student demand.

- The second annual Governor Victor Atiyeh Leadership in Education Awards at the Portland Art Museum in February was a tremendous success and continued to grow our student scholarships.

- Our School of Law in Boise held its inaugural Leaders in Action Awards, welcomed its second class of students, and its building earned LEED Silver status from the U.S. Green Building Council.

- In its first full year of operation, Hilken Community Stadium achieved its goal of serving community groups 50% of the time and Concordia students the other 50%.

- Newly renovated Luther Hall Science Labs were dedicated and are in full use by Concordia students studying sciences and nursing.

- Concordia Portland continues to be recognized nationally for its community service.

In the coming year, we anticipate new opportunities to set even more enrollment records. We will also take our partnership with neighboring preK-8 Faubion School and Portland Public Schools to a new level as we co-build a new joint building from the ground up and develop “3 to PhD™.” “3 to PhD™” is a new national model to create safer, healthier, more educated communities. Learn more at www.3toPhD.com.

As our ministry has now reached its 109th academic year – the Concordia of 2014 may look different from that of 1905, but our mission and our purpose is rooted in the same Lutheran heritage and sense of purpose of a century ago. We give thanks to God for you, and we look forward to another year of transformation!

Charles E. Schlimpert, Ph.D.
President, Concordia University

Robert W. Fowls
Chair, Board of Regents
Concordia University is blessed by the leadership of the Board of Regents and the Foundation Board of Directors. The university is governed by the Board of Regents, elected by the conventions of the Lutheran Church – Missouri Synod, the Northwest District, and the current board. The Regents meet throughout the year to strategize, plan, and set forth policies that are in turn carried out by the President, who is an advisory member to the Board. The Board of Directors of the Concordia University Foundation is comprised of dedicated individuals with an affinity and passion to serve the mission of the university. The Foundation Directors oversee the overall business affairs of the Foundation and meet at various times throughout the year to inform, discuss, and strategize the goals and activities of the Foundation. Although Concordia University’s two governing boards are separate entities, starting in Fiscal Year 2012, they began to meet simultaneously and in cooperation with each other. Together, the university’s Regents and Foundation Directors are referred to as the Council of Trustees. The men and women serving the university through these leadership roles have fostered our growth and provided the vision that has led Concordia to this historic and exciting time. We thank them for their service and their leadership to the Concordia community and students.

Jack and Linda Menashe

PARENTS, TRUSTEES, AND WEBER CIRCLE DONORS

“In the past 10 years as supporters of Concordia, we’ve witnessed tremendous growth and an unwavering commitment to the students. The Hilken Community Stadium has brought a higher caliber of student-athlete to the university, and has opened Concordia’s doors to the greater community, sharing the promises of Christian education with our neighbors. There is no question that a legacy is being built. Our family has always had an interest in sports and we believe that God made no mistake in blessing us with kids who are athletic. Two of our children played sports at Concordia, so donating to Cavalier Athletics has been a natural fit for our family. There is nothing greater that one can do in life than to reach back to help those coming up. We believe in Lutheran education, so whatever small part we can play in a student’s development is the greatest gift we can give.”

“I visited the campus, met a few professors, and fell in love with everything Concordia had to offer. I had to find a way to get here. That’s where you stepped up, and for that, I will be forever grateful. Your overwhelming generosity gave me the chance to turn a hopeless dream into a happy reality. If it weren’t for Concordia’s amazing alumni, parents, sponsors, and donors, I wouldn’t be where I am today.”

– Danny Morato, Senior, Business Administration Major
Thank you for being a part of the Concordia community, a group of individuals and organizations who empower students to take big ideas from the classroom into the world. Your commitment demonstrates your care, compassion, and leadership – the very same traits we hope to see in every Concordia graduate. Together, we create a thriving and unique experience for our students as they serve the Portland community and other communities throughout the Pacific Northwest and the world. We hope you will continue to be our partner in this endeavor.

“I chose Concordia first and foremost because it is a Christian university with beliefs that I grew up with and still hold close to my heart. The Regent’s Scholarship enabled me to spend all four years of my college education at Concordia. Without it, I wouldn’t have been able to go to nursing school. At Concordia, I have learned more about myself and my relationship with God than I could have ever imagined. To those who donated to scholarships, I say thank you a million times over. Every donor’s generosity has a huge impact on the students who attend Concordia.”

MacKenzie Kampa
SENIOR, NURSING MAJOR
Concordia University is honored to recognize the following donors who have supported the students, staff, and faculty of the university with continued support over many years. The lasting investment in the mission of Concordia provides us the opportunity to continue to build and grow the programs that benefit our graduates in the communities in which they live and serve.

Doug and Rosemary Caudell
WEBER CIRCLE DONORS

“We consider ourselves good friends of the Concordia University-Portland community and feel honored to participate in a small way in helping to prepare leaders for the transformation of society. In the past decade, we have seen remarkable transformations in both the physical campus and the many partnerships with the greater Portland community and beyond. God is accomplishing great things through Concordia’s servant leaders. It has been easy for us to place a high priority on supporting Concordia!”

Corporate matching gifts are a great opportunity for your gift to Concordia University to double, even triple the impact of your donation. Throughout the year, many of our alumni, parents, and friends take advantage of their employer’s matching gift program and that extra step makes a significant difference in our ability to improve the lives of our students. In addition to matching an employee’s charitable donations, many organizations encourage volunteer service by providing matching funds for volunteer service hours.
When I came to Concordia in 2000 as a freshman, my family was not able to support me financially, so my ability to attend the university was through the incredible generosity of Concordia’s donor base. For me, donating to Concordia is a way to ‘pay it forward,’ so to speak. I want to help students who, like me, could have only attended through the generosity of others. Further, I firmly believe in what Concordia stands for – preparing servant leaders who will transform their communities. What’s not to support in that mission?!”

“The Cavalier’s Scholarship made possible for me the opportunity to receive a higher education and open doors that could change my life forever. Each day at Concordia is a new adventure and I am constantly reminded of how blessed I am because of all the amazing people here. When I received a Concordia Concert Choir Scholarship, it was a pure blessing. Because of this scholarship, I was able to be trained in a classical setting, travel throughout the Pacific Northwest, Canada, and Hawaii to sing for multiple hearts all for the glory of God. If I could talk to a donor, I would say thank you! Thank you so much for believing in me. Thank you for investing in my future and believing in my missions and passion to transform society.”

ANNUAL GIVING HONOR ROLL - 21
Chuck Kunert

EMERITUS DEAN, PROFESSOR OF BIOLOGY AT CONCORDIA UNIVERSITY, AND WEBER CIRCLE DONOR

“I came to Concordia for a two-year appointment and look what happened! Forty years later, I continue to see Concordia as a place that assists students to see the gifts God has provided them and use them to His glory. It is for that reason that Pat and I continue to give back to the university so that more students can have that ‘Concordia’ experience. It would be a shame to deny anyone such an opportunity simply due to a lack of funding.”

It’s because of our faculty and staff, and people like Chuck, that we’re able to transform society. Not only do Concordia University faculty and staff give generously of their time and talents, but did you know that during the 2013 Fiscal Year current and former members of the faculty and staff committed $115,988.29 in gifts and pledges to the mission of Concordia?

Thank You!
We thank all those who have created endowments which generate new funds each year to support Concordia students. Their generosity creates a legacy of giving and commitment to the university.
“The decision to come to Concordia came pretty quickly for me. After visiting campus I fell in love with the community and atmosphere. Being accepted into the honors program and receiving a scholarship that pays for half of my tuition sealed the deal. Without the generous support of donors and alumni I would not be able to attend Concordia and get the excellent education that I am currently receiving. Thank you for your support and please keep it up!”

– Dylana McGill, Junior, Education Major
LUMINARY SOCIETY

Members of the Luminary Society at Concordia University have remembered us in their future giving and estate plans. We are grateful for their help in assuring that the values of justice, compassion, and moral integrity will thrive in the lives of Concordia students and in the future they will help to create.
I graduated from Concordia Junior College in 1956. I was in the first class of young women to attend Concordia. My donations help students so that they will not have huge loans to pay off when they graduate.

– Sharon Willweber ’56, Holman Club Donor
