Please consider my application for participating in the Concordia Teacher Corps. I am willing to meet with the Concordia Teacher Corps Coordinator and another Concordia University representative in order to review my availability and desired involvement. I understand that a training workshop will be provided to me and acknowledge that through Oregon Mentors, a background check will be conducted for all Concordia Teacher Corps participants. In addition, I agree to be faithful in attendance. I plan to attend weekly tutoring sessions and will contact the designated coordinator if I am unable to attend.
