TSPC Communications Regarding Fingerprinting: “It is critical to note that the fingerprinting system will not allow [anyone] to be re-fingerprinted. **Institutions** accepting Concordia transfer students should contact finger.printing@oregon.gov and submit the full name and date of birth of the transfer student. Please let your admissions/registrar folks know this as soon as possible.” –*Wayne Strickland- Director of Education Preparation, TSPC.*

ORELA Testing: All ORELA/NES test information, including subject-specific exams and the Elementary Education exam, as well as the Protecting Student and Civil Rights exam, can be accessed by TSPC. Therefore, your receiving university will be able to verify test information with TSPC when it comes time for licensure. However, you are encouraged to request a copy of your official test score report from [ORELA](#) or forward a copy that you already have on hand to your new university to expedite the process.
